**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The reply, filed on 7/15/03, is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Now that a copy of the amended claims have been submitted and filed in the instant file, consideration of them requires that they be reasonably legible. The legibility of most of the chemical structures in the amended claims, however, is exceedingly poor and illegible. Both the clean copy and the marked up copy of the claims contain said illegibility. See, for example, claim 53 wherein complex structures are unreadable. A new set of claims is required which are clear and legible. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
